Here are some additional things you need to make 2 servings of masala chai.

- 1. 2 Cups of water.
- 2. 2 tbsp of Tea Powder.

Please confirm that you have these items. I'll walk you through the recipe after I know that all of them are available.

You can say things like

- I have all of these.
- I have only a cup of water.
- I have 2 tbsp of Tea Powder.
- I only have the spices
- I have changed my mind and I wish to change the number of servings.

Stuff you already have

3g Cinnamon

1 Cup Whole Milk
